Packaging & Delivery:

Cheekye River Rock is packaged in wire baskets on pallets with a total weight of approximately 2200 pounds per pallet. 4"-6", 6"-9", 9"-12" and 12"+ Cheekye River Rock is ordered by the pound or by the pallet.

Characteristics:

Cheekye River Rock is another British Columbia stone. The coloring of this stone is much lighter than the Wild River and has more of a pumice look to it. Used mostly in facing and garden applications.

Description & Color:

Cheekye River Rock varies from light and charcoal grey to pale reds and greens.
