**Single  
Column  
Bench**

**Basalt  
Natural Top  
Bench**

**Basalt Bench 4'-5'**

## Characteristics:

Our natural stone benches are made from indigenous Basalt locally quarried in the Squamish Basin in southwestern British Columbia. Machine sawn columns are used to create the pedestals and sawn tops.

## Description & Color:

The Basalt Bench is grey in color with brown and tan variations. Naturally weathered with some mosses and lichens present.
